

COVID-19
PREVENTION
IS IN OUR HANDS

As COVID-19 remains with us, there are prevention measures that are within our control

WE DO

avoid crowded places and wherever we go, allow ourselves a space of at least 1.5 metres from other people

BECAUSE

the evidence still supports this behaviour as droplets from an infected person are unlikely to spread past 1.5 metres

▶▶▶▶ **GUIDELINES** ◀◀◀◀

Avoid crowded spaces and follow the guidelines when attending gatherings

Make sure rooms and vehicles are well ventilated
