

COVID-19
PREVENTION
IS IN OUR HANDS

As COVID-19 remains with us, there are prevention measures that are within our control

WE DO

consider mask wearing, social distancing and sanitising to be behaviours we will continue for the foreseeable future

BECAUSE

these practices have been proven effective and have become the norm, and we don't know when a new wave of infection may begin

▶▶▶▶ **GUIDELINES** ◀◀◀◀

Cough or sneeze into your bent elbow or a tissue

Keep rooms and vehicles well ventilated

Avoid crowds
